

BSB51415 DIPLOMA OF PROJECT MANAGEMENT

Release Number: 2, Release Date: 27 September 2018

The **DIPLOMA OF PROJECT MANAGEMENT** requires that 12 units be achieved. Of these there are **8 core** and **4 elective units**, which may be chosen from any endorsed Training Package or accredited course at Diploma level or higher.

This qualification reflects the role of individuals who apply project management skills and knowledge. They may manage projects in a variety of contexts, across a number of industry sectors. They have project leadership and management roles and are responsible for achieving project objectives. They possess a sound theoretical knowledge base and use a range of specialised, technical and managerial competencies to initiate, plan, execute and evaluate their own work and/or the work of others.

Preferred pathways for candidates considering this qualification include:

- BSB41515 Certificate IV in Project Management Practice
OR
- with extensive vocational experience in project roles where they may have had some limited responsibility for the output of others but do not have a formal project management qualification.

There are no pre-requisite or co-requisite units for this qualification. All 12 units must be completed to attain the full qualification. Where only some units of competency are achieved, a statement of attainment will be issued. This qualification forms part of the BSB Business Services Training Package. Elective units chosen must be relevant to the work and industry context for project management. They must not include the choice of the unit BSBPMG522 Undertake project work.

The units of competency that make up this qualification are:

Core Units:

National Code	National Title
BSBPMG511	Manage project scope
BSBPMG512	Manage project time
